Subject: Fluoridation

Enclosed is a permit authorizing you to add fluoride to the water starting February 6, 1973. Fluoride is to be added in the form of Hydrofluorosilicic Acid.

This permit is issued for proper control of the amount of fluoridation and daily tests confirming such control.

Other enclosures include one copy of pertinent Rules and Regulations, plus a supply of daily record forms for the required monthly reports.

Very truly yours,

A handwritten signature in cursive script that reads "Earle W. Tibbetts".
